NEK show rules to remember!

Premier Exhibitor:

The exhibitor credited with the most points, on no more than 6 animals including those in multiple ownership, which he/she owns and exhibits in the Open single classes. It is the exhibitor's responsibility to notify the show staff which person of a multiple ownership will receive exhibitor points. This must be done before the start of the show.

Premier Breeder:

Awarded to the breeder of (no more than 6) animals credited with the most points, regardless of ownership. Breeder Defined: The owner of the dam at the time of service shall be considered the breeder of the animals. Where a herd is registered in the names of different members of a family, and where the herd is one unit, and everyone is using the same prefix, all entries may be considered as exhibits of one breeder. Otherwise, when animals are bred in partnership, each unique partnership is considered a unique breeder.

Junior Dairy show:

This show is open to exhibitors who are qualified as Juniors and who owned or leased cattle by specified dates as established under the rules of Holstein Association USA or Vermont 4-H. For Juniors to be eligible for Junior awards, all ring assistance must come from another Junior.
